PRESS RELEASE

December 2012

HOTEL ABISSO

01.03 – 05.05.2013

The first exhibition curated by the new Director Andrea Bellini is an experimental project where artists are authors and actors at the same time. Andrea Bellini brought together the curator Tiphonie Blanc as well as a dozen of Swiss artists –mostly from the French speaking part of Switzerland- in order to develop a joint exhibition. The exhibition excludes all curatorial statement: it becomes a real exchange and reflection platform. Each participating artist was welcome to involve other artists in the exhibition process. Thus, this collective exhibition is like a lively organism, perpetually growing.

Physically, the project takes the form of an architectural setting that becomes a place for collaboration where happenings, concerts, readings and screenings will take place.

Proposed by Andrea Bellini and Tiphonie Blanc, together with Jeanne Gillard & Nicolas Rivet, Aloïs Godinat, Toby Landei, Balthazar Lovay, Guillaume Pilet, Ramaya Tegegne ;

And with Valentin Carron, Philippe Daerendinger, Emilie Ding, Latifa Echakhch, Jo Fontaine, Isabella Girtanner, Fabrice Gygi, Josef Hoffmann, Benjamin Hugard, Kaiser Kraft, Renaud Loda, Grisélidis Réal, Marta Riniker-Radich, Emanuel Rossetti & Tobias Madison, Clémence Seilles, Yann Sérandour / Raphaël Julliard and SIP.
